Leavers' Party

This week has seen the first of our leavers' events. The PTA organised a fabulous party to celebrate our year 2s time with us here. They danced and played and ate the night away! They certainly looked like they were all having a great time and it will hopefully be a memory of TRIS which remains with them for a long time to come. A huge thank you to the PTA for organising this.

Further information from Barton Library

The Summer Reading Challenge starts this Saturday, 15th July.

A reminder about the Burton Library Summer Reading Challenge Cup, especially as we now have a terrific prize to go with it!

The Cup competition is open to all schools in the Burton area including all the outlying villages (e.g. Barton, Yoxall, Tatenhill, Stretton and so on).

The Cup will be won by the school having the highest number of pupils completing the Summer Reading Challenge compared to the number of pupils on roll. . . . this means that even if you are a small school, you have an equal chance of winning!

We are delighted this year to announce that the Cup will be sponsored by Martin Sims of the Kip McGrath Education Centre in Burton. Martin is generously offering the winning school £250 to be spent on books chosen by the school from our local independent bookseller, H & H Spalding of Barton-under-Needwood, for the school library.

The winning school will also retain the Cup in school for the next academic year and receive a framed certificate to commemorate their achievement.

Annual Reports

Your child's school report for this year will come home in their book bag on Monday 17th July. We have revised the format of the year 1 and 2 reports in light of us now having three parent consultations throughout the year. Feedback on the new format would be gratefully received.

Wishing you all an enjoyable weekend.

Regards
