## **Charging and Remissions Policy**

Implementation date: April 2016

Reviewed on: July 2017

Next review due: July 2019

Policy owner: Barbara Mahoney

## **1.0 Aim**

1.1 The aim of this policy is to set out where charges will be levied for school activities within John Taylor Multi Academy Trust, external lettings and extended school provision, what remissions will be implemented and the circumstances under which voluntary contributions will be requested from parents. Guidance is based on the Education Act 1996: Sections 449-462. Rates of charge for individual activities may differ between schools within JTMAT and these will be agreed locally.

## **2.0 Responsibilities**

2.1 The JTMAT Board is responsible for determining the content of the policy and the Head of the school for its implementation. Any determinations with respect to individual parents will be considered jointly by the Head of the school, the JTMAT Business Director and the Chair of the Local Governing Body Managing and Organising Committee.

## **3.0 Definitions**

**3.2 Extended school provision** – provision of childcare outside the standard school day where it is optional as to whether the child attends

**3.3 External Lettings** – letting to an organisation other than the school

**3.4 Remission** – where a charge is not payable, either in full or in part

## **6.0 Remissions**

6.1 (Where the governing body has determined to charge for board and lodging on an educational visit the following paragraph must be included).

6.2 Children whose parents are in receipt of the following support payments will, in addition to having a free school lunch entitlement, also be entitled to the remission of charges for board and lodging costs during residential school trips. The relevant support payments are:

- a) Income Support;
- b) Income Based Jobseeker's Allowance;
- c) Support under part VI of the Immigration and Asylum Act 1999;
- d) Child Tax Credit, where the parent is not entitled to Working Tax Credit and whose annual income (as assessed by HMRC) does not exceed £16,190;

6.3 (For any other charges which are to be made the policy must set out below the remissions which will apply to each charge. If charges are not to be made the corresponding remission does not exist).

6.4 Parents will be invited to make a voluntary contribution for any educational expenditure or resource which is deemed as "additional" to the core offer of our provision.

6.5 The terms of any request made to parents will specify that the request for a voluntary contribution and in no way represents a charge. In addition the following will be made clear to parents:

- a) that the contribution is genuinely voluntary and a parent is under no obligation to pay; and
- b) that registered pupils at the school will not be treated differently according to whether or not their parents have made any contribution in response to the request.

6.6 The costs of any optional extra undertaken by any pupil whose parents/guardians are unable to pay may not be included in the charge to other pupils but must be funded through the delegated budget, school fund or other fundraising.

6.7 The responsibility for determining the level of voluntary contribution is delegated to the Head of School.

Please note children who get any of the above benefits in their own right (ie they get benefits payments directly, instead of through a parent or guardian) can also get free school meals.
