Family workshops

Reception were the first to host our yearly family workshops this week, when parents and carers are invited into school to work with the children. Reception made some fabulous 'Under the Sea' displays. Thank you to everyone who was able to attend—we hope you enjoyed the experience!

Notes & Reminders!

• Year 2 clubs

All Year 2 clubs, apart from country dancing, will start the week beginning Monday 27th January. Country dancing will then start on Tuesday 4th February.

• Inhalers in school

If you have told us that your child uses an inhaler or is asthmatic, you should have had an asthma plan to complete and return. If your child has started using an inhaler since completing our admission forms, please let us know. Thank you!

Year 2 church visit

As part of their class work looking at religious symbols and features in churches, Year 2 will be visiting St James' Church in the village. 2M will be going on the 29th January and 2W on the 6th March.

NSPCC Number Day

This is a maths-inspired fundraising day for the NSPCC which this year falls on Friday 7 February. More details to follow in next week's newsletter!

Wellbeing

This week the school has been taking part in the RSPB bird-watch. Everyone has taken time to "take notice" of what's around them. It has been great to take part and use one of the five ways to wellbeing!

Wishing you all an enjoyable weekend.

Best wishes
