

Thomas Russell Infants' School

Newsletter number 1 - 30 March 2020

Hello children of TRIS!

We hope you have been out in your garden enjoying the sunshine this week! Whilst school is closed, we will be sending out a weekly newsletter to keep you up to date with what everyone from school is up to, along with some fun activities for you to enjoy. The teachers have really enjoyed hearing what you have been up to so far. Please keep in touch with us by sending us updates/ pictures

Teacher adventures

This week Miss Fairley has been learning to ride her bike again (after a few years off). She has enjoyed going around the block for her daily

exercise and only had a few bumps so far. Well done for being a persevering puppy and keep up the good work Miss Fairley!

Miss Hollender has also enjoyed being outside this week practicing her jumping skills on her trampoline with her daughter Evie. What a confident cheetah being able to jump that high!

Time to relax

Lie down on your grass and look up at the clouds (take care to not look directly at the sun).

What shapes can you see?

1. Which teacher can tap dance?
2. Who loves karaoke?
3. Who owns 10 pet ducks?

Get creative!

Have a go at shadow drawing. All you need to do is grab your favourite toy figurines and take them outside in the sun. Put a piece of paper next to them and watch as a shadow casts onto the paper. You can then trace around the shadow using a pencil, crayons or felt tips. Don't forget to send us photos of your drawings when you have finished!

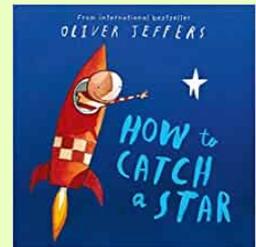

Joke of the week

Knock Knock
Who's there?
Cows go
Cows go who?
No silly, cows go moo!

Time for a story

This weeks recommended audio story is 'How to catch a star' by Oliver Jeffers. To listen to the story just follow the link below.

If you enjoyed that story then the author (Oliver Jeffers) will be reading one of his

Be active

Here are some great ideas for some PE activities that you could do at home:
