

Thomas Russell Infants' School

'Our children blossom through nurture and challenge'

Newsletter number 36 3 July 2020

Last night came the information we have all been waiting for so please do make sure you read the letter accompanying tonight's email which outlines our intentions for September. We are working on the finer detail over the next few days so we will ensure we forward further information as soon as possible.

BUSY, BUSY, BUSY!

Aurelia recently took part in the virtual Barton Gardens' Festival by working on a scarecrow display with her grandparents. Lots of people enjoyed the display as they walked by the house in Dunstall. They decided to do a bit of fundraising and asked for donations to the school as they thought we have been missing some extra funds this year with no summer fayre etc. She raised £101.50. Well done and thank you for your superb efforts Aurelia.

Weekly Challenge

Please see the attachment for the poetry challenge this week.

Stars of the Week

RR- Isla B - For engaging in all aspects of the curriculum and for producing some fabulous work.

RM- Isabel Madill for using a range of adventurous vocabulary in her writing.

1P- Alfie W for his enthusiasm towards home learning and for working hard with his Phonics.

1F- Alice for writing a great imaginative story about her stick.

2M- Sahaan for engaging really well with the home learning.

2W- Adam for writing a fantastic diary entry about Grandad's Secret Giant.

Truth and Honesty

It was lovely to see so many children join us on our Zoom assembly this afternoon; it was a real pleasure watching everyone's faces and really cheered me up! Our theme today was linked to our school rule of:

'we are always honest'

where we explored what it means to be honest and the impact that not telling the truth can have, however nervous you might be about telling the truth.

Join Mrs Farmer if you can on Monday at 1:15pm for the next assembly.

Wishing you all an enjoyable weekend.

Best wishes

Mrs S Burton and Mrs L Farmer
